Vice President:	Mikayla Ryan	
Secretary:	Wayne Perrigo	247 – 6790
Treasurer:	Ray Houle	368 – 8525

Louis J. Stoio Memorial League

League Rules 2026 – 2027

Composition:

The league will consist of two (2) person teams of which can be any combination of two males, two females or mixed. The league will run on a 29 week schedule. The league-entering cap will be a total of [430]. The president and secretary will randomly pick team numbers.

Point System and League Play:

The leagues uses a 3 point system with one point awarded for each game won. The league will consist of four quarters, each quarter will be 7 weeks long, and the last week of each quarter will be a position round. The last week of bowling is week 29, which will be the playoffs, and points will count for that week.

Entering Averages:

Any Bowler entering or subbing in this league will use last year's highest recorded book average for 21 games or more. The league will use a high school, college or junior average based on 40 games or more. If the bowler has no average from last year then we will go back one additional year. If still no average, Men will take 190 and Women will take 165 for the first nine games of the season. Bowlers establish an average after 9 games. The league officers have the right to rerate any bowler based on previous averages older than two years.

Other Associations:

Any bowler entering this league from another association must have written verification of their averages. This may be from the association secretary, league secretary, or certified coach.

Age Requirement:

Any bowler, sub or otherwise, must be 18 years of age or older to bowl in this league.

Handicap:

The league will use 90% of the difference of the team's average. The team's average is the sum of both bowlers.

League Lineup:

The legal lineup will consist of one regular member from current roster or two qualified substitutes whose "entering averages" are not over the cap [430] for that night.

Bye Team:

When scheduled to bowl the bye team, a legal lineup must be present to bowl. If no bowlers are present, the team will receive no points for that week. If two bowlers are present, they have to come within 20 pins or their combined average. If only one bowler is present, they would have to come within 10 pins of their average.

Pre-bowl/Postponements:

Requests for pre-bowl and postponements will be honored when a team is unable to field a legal lineup for the following reasons: some of its bowlers are participating in the USBC Championship events, state or local association championship tournaments, attending an annual meeting, there is sufficient cause, or in an emergency situation. Games must be bowled as scheduled, unless a request is made prior to the scheduled time, except for emergencies, and approval is granted. Pre-bowl/postponement requests are reviewed and decided by the league officers. The captains of the teams involved shall agree to a date and time for bowling the pre-bowl/postponed match.

Captains Responsibilities:

Team captains are responsible for attending all meetings, and collecting all team monies due. The captain is also responsible for turning in the dues envelope (NO LATER THEN THE END OF THE FIRST GAME TO THE TREASURER).

Arrears and All Monies:

The League weekly dues will be \$25.00 per week. No individual or team may be behind more than 2 weeks (\$50.00 or more). More than this will be considered in arrears. If any individual has a problem, please notify the Treasurer. Everything will be kept confidential. All bowlers will be responsible for a team sponsor fee of \$50.00. The last week of bowling (week 29) must be paid in advance. ALL MONIES ARE DUE BY WEEK 28. Sanction fees for this season is \$25.00 for all bowlers and must be paid the first night and the first league you are bowling in. The secretary and treasurer's salary is \$300 each.

Position Standings:

Teams are listed each week by total wins. If any are tied then they are listed in order of total pins with handicap. If teams are tied for any quarter, a one game roll-off will break the tie. If still tied a 9th and 10th frame tiebreaker will be used until a winner is declared.

Playoffs/Prize Positions:

Five teams will advance to the finals, which will be in stepladder format, each quarter winner and the team with the most overall wins. Teams will be seeded, first by quarter winners, then by wild-card teams, all by total points won. If there is a tie for any position then a one game roll-off will determine the winner. A 9th and 10th frame tiebreaker will be used if still tied. If any team wins two quarters then two teams with the most overall wins will get the playoff spots. If any team should win three quarters then three teams with the most overall wins will get the playoff spots. If one team should win all four quarters then they will be deemed League Champions and no roll-off will be run. Teams that lose their play-off game will receive prize money based on where they finish in the league with total wins. All teams will be placed by total wins, with the exception of the league champions. If there is a tie for any position then the money will be combined and divided by the number of bowlers involved. The team not showing on time for roll-off will use a blind score.

Awards:

To qualify for any league award a bowler must bowl 2/3 of the season. Awards consist of the following: individual high game, most improved, and league champions. Any team or individual may only win one category.

Substitutes:

Substitutes will use highest book average that is recorded in average book, unless their current average as of 9 games is higher than the book average, in which case the current average will be used. See the section labeled "Entering Averages" above for more detail. The sub's average must be within 15 pins of the regular bowler's average. It is the responsibility of the "Regular" bowler to make sure that the sub reports the correct average to the league secretary. If this is not done, the team will forfeit the games for that night. The secretary will get verification from the league(s) the sub bowls in for their average. Teams may use up to two subs but cannot go over the cap [430] for that night. Any gender may sub for any gender.

Replacements:

A bowler may replace another bowler if the new bowler fits within the cap, the former bowler can no longer bowl due to an injury, and a team captains meeting must be held to vote on the replacement.

Late Rule:

If any person arrives after the beginning of the third frame, they will have to take an absent score for that game.

Grandfather Rule:

The league voted to grandfather teams in. Teams that are over the cap [430] at the end of the year are allowed to bowl again with that same partner that they were over the cap with. If that team should win the league and are over the cap, they are allowed to come back as a team for the next bowling season. If they should win the league again, and are still over the cap, they will have to break apart after that year. If they are under the cap then they can come back as a team again the following year unless they win the league a second time.

Prize Fund:

The prize fund will be based on the number of teams that bowl during the season and if a sponsor is available.

Extra Money Due

\$50.00	Sponsor Fee	due by week 10
\$25.00	Last Night of Bowling	due by week 20
